Scorm getting ready to leave ADL

Wilbert Kraan 23/5/07

Not a new idea, but one that took a few decisive steps this week in a series of meetings in London: the moving of the SCORM educational content format out of the US Department of Defense's ADL initiative, and into something that reflects the current SCORM user community. The parents will continue to cough up some fees, and provide a home if necessary, but would rather SCORM found its own way now.
